

Book Signing for *Island Girl: A Triumph of the Spirit* by Norma Joyce Dougherty

Island Girl: A Triumph of the Spirit, a memoir of how in 1970, God led a poor, young farm girl from Prince Edward Island, Canada to live out a

real-life fairy tale on the world stage.

"Norma has written her story from the heart; gathering up all

the heartaches of disappointment and revealing how Jesus Christ covers them in His love and forgiveness, bringing joy and lasting contentment.

Reading this book caused me to consider the wisdom found in God's Word: 'Charm is deceitful and beauty is passing, but a woman who fears the Lord she shall be praised' (Proverbs 31:30).

From Donna Lee Toney, a co-author and colleague of Billy Graham and Franklin Graham's for over 30 years and part of the Billy Graham Evangelistic Association.

"I became a world traveler and overnight success as Miss Dominion of Canada and contestant in the Miss World, Miss Universe, Queen of the Pacific and semi-finalist in Miss International. I found fame and fortune," Norma explains, "but I lost my home, myself and a sense of belonging.

About the Book

Norma Joyce recounts her story in a lively "fairy-tale" theme as she shares her personal and spiritual odyssey to reach the true shoreline. Women of every age, every stage and every face will relate with her "identity crisis" ~ a crisis that is all too common in this post-modern era as women search for authentic validation. Teen girls will be particularly inspired by Norma's struggle to live by the motto: "Beauty is as beauty does."
